To Whom It May Concern,

I am writing to confirm that AML Foods has been a customer of Workzoom since May 2023. We use their platform to manage HR, payroll, benefits, time and attendance, recruiting, and onboarding for approximately 900 employees. We also use Workzoom's facial recognition clocks for employee time tracking.

Workzoom has been a reliable partner, and their team has been responsive to our needs. The system has helped us streamline our operations and maintain compliance with Bahamian regulatory requirements including NIB.

We are satisfied with the service and would recommend Workzoom to other organizations in the region.

Please feel free to contact me if you require any additional information.

Regards,
